Informatory, having been informed from the Madras Secretariat that such Contributions are permissible, the draft should in this file perhaps be appended.

Section 27 (2) of Act VI of 1884 Bombay Regulation seems to be clearly against the proposal by the Taluka Boards. It is doubtful if even a strained construction that the school could be useful for the residents of the Taluka Board area would make the proposal permissible. Re expenditure from Funds section 59 (b) seems to permit

All the proposals may be sanctioned. As the present kind of Boards are proposed to be - abolished, some latitude is desirable.
